

COMPANY PROFILE

Vision Statement

To be Zimbabwe's leading provider of accessible, health conscious beverages blending innovation, quality, and sustainability to refresh the nation.

Mission Statement

To craft and distribute adiverser and of refreshing beverages from purified water fruit based drinks using natural juices, concentrates, and powders while promoting healthy lifestyles, empowering local partnerships, and championing sustainable practices.

Our Values

Quality First – Dedicated to safe, high-standard beverages made with natural juices, powders, and concentrates.

Sustainability – Committed to eco-friendly packaging, responsible sourcing, and reducing environmental impact.

Innovation – Continuously expanding through smart dispensing solutions and a dynamic product range.

Customer-Centricity – Serving both consumers and businesses with flexibility, responsiveness, and care.

Business Model

Harvest Acres runs a varied beverage enterprise, currently featuring products like fruit juices and purified mineral water. The company is in the process of expanding its offerings to include sugarcane juice, flavored and sparkling waters, iced teas, herbal infusions, cordials, and ready-to-drink juices. With a robust retail and wholesale network, we supply our products to supermarkets, hotels, restaurants, corporate offices, and directly to consumers.

Competitive Advantage

Locally Sourced Ingredients – Supporting Zimbabwean farmers to ensure freshness and community impact.

Health-Focused Products – Free from artificial colours, preservatives, and sweeteners.

Sustainability Leadership – Prioritising environmentally responsible packaging and production.

Technology-Driven Convenience – Rolling out smart, self-service juice vending machines for on-the-go refreshment.

Target Market

Harvest Acres serves a diverse and health-conscious customer base, including:

- Urban families seeking nutritious, reliable beverage options
- Fitness enthusiasts and wellness-focused individuals
- Busy professionals in need of convenient hydration
- Hospitality and foodservice businesses seeking premium drink solutions
